

## WHO WE ARE

BUILT Healthcare is an exclusive membership network for principal-level leaders in real estate, design, construction, and development serving the healthcare industry. We provide a trusted, relationship-driven environment where senior decision makers can connect, collaborate, and grow their firms through meaningful partnerships.

## WHAT WE PROVIDE

Members participate in curated regional events, national meetups, and focused discussions tailored to the healthcare built environment. BUILT Healthcare hosts 6 to 8 events per year. 2026 will begin with a **kickoff meeting in January 2026 in Nashville.**

	<p><b>High-Impact Networking</b> <i>Access curated events designed to foster meaningful connections among senior healthcare-focused leaders.</i></p>
